To Our Community Friends:

As you may already know, I am leaving my position as general manager of the Utah Copper Division to become senior vice president of our newly formed company located in Salt Lake City—Kennecott Minerals Company.

It has been a privilege to have associated with you since I returned to Utah in 1975. Our state can surely boast of possessing the finest and most responsive citizens in the nation!

On behalf of the Utah Copper Division, I extend my personal thanks for all the support you have given Kennecott over the years.

Sincerely,

Sincerely,

Robert N. Pratt
General Manager
